WELCOME NEW STUDENTS

SUPERINTENDENT'S MESSAGE

Well, "welcome back" to everyone—this seems to be the most logical words to say at this time as we begin a new semester. So "welcome back to school students, and welcome back to work staff."

We are having some inconveniences due to the snow and cold weather but remember the blistering hot days we had and will have, and the cold is alright. Nevertheless travel for some apparently is a problem as evidence and by the lateness of some students in returning to school. Since we are back to the old grind; look forward to May, its not too far off. I do hope this creates a desire in everybody to accomplish much more than we did this past semester. Then there is the whole summer to get away from it all.

To our new students, I want to welcome you to Chilocco and hope to be meeting each of you personally to get acquainted. We have a new addition to our dorm staff that most everybody has met. We also have several staff who have undertaken new roles. So let us all chip in and make the transition for new students and staff in new responsibilities.

For those Seniors contemplating on graduation this spring remember its not over until it is over, which won't be over until May. So don't forget those responsibilities that will have you in the graduation line when its over. The staff will help you seniors get there and they will also let you know when its over, so let us keep after the work and not kick our heels up to soon.

It is good to see all of you back. Let's remember the points you can earn, the work study, the various activities you can plan and make this an easier semester for you and your pals and have a good semester.

The staff and employees wish to welcome the following new students to the Chilocco campus for the 1979 Spring Semester:

Valerie May, Charla May, Garland Compala, Delores Jones, Robert Johnson, Zoie Page, Robert Roy, Donna Penn, Richard Goggleye, Gerlinda Magoosh, Clinton Pappan, Christopher Whitehorn, Deborah Spears, Kelvin Frye, Francesca Littlewalker, Katherine Sequichie, Victor Delaware, Galvis White Eagle, Amen Sheridan, Alan Harlan, William Pipestem, Terry Harlan, Alfred Eyle, Victoria Johnson, Tamara Wind, Sharon Prins, Sheryleen Sago, Teresa Hinman, Fern Dick and Lisa Stabler.
